

MISSION STATEMENT

118's mission is to protect the life and property of our clients in a way that is consistent with the highest principles within our industry. We pride ourselves on providing an unrivalled, bespoke, responsive, quality service underpinned by our culture of continually striving for excellence whilst delivering on our Core Values.

We continually strive to improve the services we offer using technical advances wherever possible in order to provide the optimum security solution for our clients.

**118 Security is totally committed to our
Mission Statement**
